Subject: GIS Data Request for the Gold King Mine Emergency Response

Hi Shelly,

I am the GIS Coordinator for EPA Region 8 and am working on the emergency response related to the Animas and San Juan Rivers. We are in need of parcel data to facilitate the sampling of domestic drinking water on the reservation and will only use the data for this emergency. Any assistance you can provide will be greatly appreciated.

I also left you a voice mail. I can be reached today at (303) 258-7188.
